**\*\*As a company protocol, U90C begins scheduling immediately after Registration Closes\*\***

## **TIPS for a GREAT U90C Tournament Experience**

U90C Tournaments are sanctioned through USSF member organization US Club Soccer. Because US Club is a national organization, **Permission to Travel is not required** for any U90C events anywhere within the US.

- 1) **Have your Registration Fee in to the U90C office prior to the close of Registration** – You MUST pay by the registration deadline. The deadline to pay by check is 1 week before the registration deadline. 1 week prior to registration deadline, the pay-by-check option will be unavailable (*if writing a check, checks must arrive in U90C office 1 week prior to deadline to ensure funds clear*). Your team runs the risk of being left out of scheduling or being replaced by someone on the wait list who can execute payment immediately (all teams in the event are impacted by 1 unstable team).
- 2) **Submit all communication (coach's conflicts, schedule requests, etc.) via GotSoccer by the time Registration closes.** Requests can also be emailed to the Tournament Director at: [mike.wilson@u90c.com](mailto:mike.wilson@u90c.com). Remember, U90C begins scheduling immediately after the close of Registration – last minute changes potentially create conflicts for other participants and coaches.
- 3) **Generate your Event Roster ASAP.** Make sure your roster in GotSoccer is correct for the applicable event / tournament. ALSO, verify that all of your **Guest Players are on the Event Roster** for the tournament – this includes photos! (Game officials will use GotSoccer for roster verification purposes).
